Club News and Net:

The combined Auckland VHF Group and Auckland Regional Branch News and Net are held on 146.625 MHz and 439.875 MHz at 8.15 pm each Sunday or after the ZL6A National Broadcast on the last Sunday of the month.

Club meetings are held at the Clubrooms at Hazel Avenue, on the second Monday of each month at 7.30 pm. For other details, listen to the News and Net each Sunday evening.

SPECTRUM is the official journal of the Auckland VHF Group Inc. Opinions expressed are those of the authors and do not necessarily reflect club points of view. The closing date for SPECTRUM articles is by the Monday of the last week of the preceding month. Articles to be submitted to the editor Mark ZL1UMK spectrum@aucklandvhf.org

Auckland VHF Group (Inc) Branch 66

**The next Auckland VHF Group General Meeting
will be held on**

Monday 11 November 2024

At the Clubrooms, 30 Hazel Avenue at 7:30 pm.

2024 Annual General Meeting

Auckland VHF Group President's Column

Matthew King –ZL1YOT

Well, that didn't work. No one volunteered to coach newbies for several weeks, to lift their knowledge to the next level. So who would be keen to coach ONE session, maybe on a Saturday or Sunday. There are many new hams who are interested in learning a bit more, and maybe doing some construction. So lets draw them into the club. Get some younger ones involved.

Last weekend I went to the Hunua LandSAR exercise, with my AREC hat on, but as a video photographer. There were about a hundred people there, police, SAR, AREC, AEM and Air force. I'm a bit out of practice, but will edit a demo video and circulate it once Police have cleared it.

So this Monday is the AGM. We are always keen to have new faces on the committee, so if you have a bit of spare time, put your hand up. If you can only make it occasionally, that's OK, too. Alistair is standing down as Secretary. Thanks for holding the post , Alastair. So we need someone to take minutes and send out occasional notices.

Several members are involved in newer modes: Winlink, SDR and Meshtastic. If any of those interest you then tell one of us and we will sort out a work gang on that activity.

See you Monday!

Incorporated Notes to the Financial Accounts for the
year ended 30 June 2024**

Note: 01

The Trading Table is an important part of the Club.

It has been suggested that the club closes the trading table, but there are items on the trading table that are required and hard to get.

The overseas orders have been blocked, to concentrating on local market. The Trading Table is to be available during Club and Committee Meeting nights. Unless someone from the trading table is around during the meetings it may be limited service. As items are ordered and not on the Web system or no pricing, these are being put on the system with location and quantity available. When stock is out these items will not be displayed on the web site if their stock value is NIL. When Updating stock values, you may also see updated prices as these need to be increased to cover the costs of storage and picking.

If items are **listed in the catalogue but not on the system** or **have NO quantity in the system**, they may not have been added to the system, **sold or not in stock**. Please email your requests to tradingtable@aucklandvhf.org, and someone will get back to you. Online orders will be accepted but will be picked when a person is available to pick them, and this may cause longer lead times as location and availability may increase these.

Note: 02

The club has to pay for Repeater, Links and Beacon Licenses. These are different from our own Personal GURL licences, which is a free licence. To keep them active, donations for sponsorship for these licenses are being received from members and users of the frequencies. I want to thank ALL Sponsors of the Beacons and Repeaters. There are some beacons/repeaters that are off the air at present. The beacons are on the Air from the clubrooms until they can be re-installed into the Beacon Hut in the Waitakere Ranges. The club is also looking for sites to cover specific area's including central Auckland/Waitemata Harbour area.

Note: 03

Subscriptions

This year subscription at the club is at the same level as last year. The club has dropped some members and other members have been picked up.

With that I have been sending out subscriptions to members. This has allowed the payment of about 50% of members to be paid before the end of the financial year. The club executive would like to get more members involved in the club.

Members need to get out and try and look at getting new members, to carry on with Amateur Radio and keep the club active.

The club needs to find more income as subscriptions are not covering outgoings, that means looking at extra income from our assets will be needed to keep them in good operational condition. If this happens then subscriptions will need to increase to pay for ongoing club activities.

Subscriptions are payable preferably by Direct Bank Transfer, In person at a meeting, or by Credit Card via Web Subscription Page.

Subscriptions may need to be increased this year to be decided at the AGM.

- Note: 04** The D/Star repeater on Klondyke is supplied by Laurie ZL1ICU / Marlene ZL1MYL. There has been an issue with this unit and the 70cm repeater is currently off the air, and the 2 metre D/Star is now operating correctly again.
- Note: 05** Donations are received towards the operation of the repeaters. Klondyke donations received from the following clubs and Members: David Wilkins ZL1MR, Soren Low ZL1SKL, Gwynne Rowe ZL1AAR, Cary Rawson ZL1COR, Yuri Muzyka ZL1YGM, Ian Ashley ZL1AOX, Papakura Branch 65.
- Note: 06** External Donations and Donations for usage of the Clubrooms received: - The Vintage Radio Club of New Zealand and the NZ Electronics Institute.
- Note: 07** Depreciation for 2024. Depreciation has not changed and is set out in the deprecation listing of assets. Without a breakdown of the equipment, and costs, I have not changed the depreciation value of the Assets. The assets need to be defined in more detail to be able to modify the correct asset rate.
- Note: 08** The Auckland VHF Group is not registered for GST, and that these accounts are GST inclusive.
- Note: 09** The Club Insurance for both the clubrooms and indemnity to \$2,760 per year for the 2023/2024 which is more than \$600 over the total Subs income for 2023-2024. The club needs to have indemnity for having the clubrooms on council land and for any incidents that this will cause. The club needs to look at different sources of income to help cover our costs. Our Beacon Hut, Klondyke, Brynderwyn and other sites are not insured. I have heard that during the Canterbury Wild fires, the radio's in the Concrete hut were OK but the antennas and other equipment outside caused \$60,000 damage, but the insurance was only for \$40,000.
- Note: 10** There was the Maintenance on the Klondyke tower to replace the Ladder and Cable Tray, this has been done but during replacement the new cable tray has been damaged and cables and equipment has also suffered. The System is only partially operational, until the weather improves to get a few good days to be able to work up the tower. The club has been sent an invoice, but we have advised them that we are in dispute over the issue. There is still painting of the tower, and antenna refurbishment. The quote for painting is in the order of \$64,000. This does not include antenna. Assistance and fund raising is needed by the club and members to complete this project. The club cannot fund this out of the present funds, as well as keep all other activities operational.

**Page 5: Auckland Very High Frequency Group
Incorporated Review to the Financial Accounts
for the year ended**

30 June 2024

FINANCIAL REVIEW

I have reviewed the financial statements of the AUCKLAND VERY HIGH FREQUENCY GROUP INCORPORATED for the year ended 30 June 2024.

The review is limited to the documents provided. I did not physically check trading stock or the fixed assets. The Treasurer provided satisfactory responses to my questions.

I have received invoices or receipts for all payments and believe that they are appropriate.

I am a financial member of the Group.

This review is limited primarily to enquiries of the organisation personnel and analytical review procedures applied to financial data and thus provides less assurance than a full audit. I have not performed an audit and, accordingly, I do not express an audit opinion.

In my opinion, the attached Financial Statements give a true and fair view of the AUCKLAND VERY HIGH FREQUENCY GROUP INCORPORATED financial position as at 30 June 2024.

Basil Orr
Financial Reviewer
27 October 2024

Spectrum Editor's Report

I have found that producing Spectrum every month has continued to be challenging.

My work situation (early starts) means that I don't want to be out in the evenings after 8.30pm.

This has meant I have chosen not to attend the majority of the Club General Meetings.

For a similar reason I haven't attended Committee Meetings.

These have no doubt contributed to a lack of material for inclusion in Spectrum.

I have therefore greatly appreciated other people who have sent me material to include in the magazine.

Partly for the reasons mentioned above, I have decided to step down as Spectrum Editor after two years in the position. I hope that someone will step up and take on the task.

I would particularly like to thank Vaughan ZL1VH, for his numerous contributions, and also for being willing to proof-read Spectrum before it is finally distributed.

Mark Howie

ZL1UMK

Spectrum Editor

Do you have a contribution for Spectrum?

I am sure the new Spectrum Editor would appreciate any and all contributions.

Also any suggestions for items.

Auckland VHF Group Subscriptions are due by 30 June 2024 for the 2024-2025 year.

Subscriptions are now being accepted for the 2024-2025 year, 1 July 2024 to 30 June 2025.

This coincides with the financial year for the group, which ends 30 June 2024.

A Subscription notice will be sent out in June to club members who had not renewed their subscription at that time.

Note on Subscriptions:

- a. There is an increase in the Ordinary (Full) Members subscription for the 2024-2025 subscription year.
- b. All subscriptions terminate on 30 June.
- c. Your present subscription will run for two-months till 30 August, then your subscription drops to an in-active membership list. (As per the constitution)

Subscription Type	Subscription Price
Ordinary Members (Full)	\$70.00
Associate Members	\$55.00
Family Members	\$25.00

- For Family Members, one person needs to be an Ordinary Member, and then each additional person then becomes a family member.
- Subscription prices are determined at the AGM preceding the year being implemented (7 months ahead of the end of financial year)

INFORMATION

The Auckland VHF Group has an AREC Group that works closely with Auckland Council Emergency Management. They provide advice, resources and manpower to assist in times of need.

The AREC section is headed by Group Leader Matthew King ZL1YOT.

From time to time the VHF Group has training sessions and exercises. Members also assist with sports events, parades and other community activities. For further information about AREC please see the NZART web site: <http://www.nzart.org.nz/arec/>

JOIN BRANCH 66 AREC

All members of the Auckland VHF Group are encouraged to join the AREC section. Your contribution, large or small is appreciated by all involved.

For further information about joining Branch 66 AREC contact the Group Leader:

Matthew King ZL1YOT

The Deputy Leader position is currently vacant

TRADING TABLE

Currently our Trading Table is only open on meeting nights.

NEW – Printed Circuit Board. Thanks to a generous donation from N.Z.'s last circuit board production company (now closed down), we have a large quantity of single sided fibreglass printed circuit board material in sizes ranging from 1200 x 600 down to smaller pieces. There's some double sided board as well. Come along to our monthly meeting if you want some – prices can be negotiated!

NEW – RG58C/U 50 Ohm Coaxial Cable. Thanks to a bulk purchase we are able to offer this good quality coax at a competitive price. The cable has tinned centre conductor and screen braid making it resistant to long term corrosion. The price is \$2.00 per metre with a discount for purchases of 20m or more. See Vaughan ZL1VH on meeting nights to get this quality coax cable.

The Trading Table is now on line. Navigate your way to our new look web site at <https://aucklandvhf.org/> and click on TRADING TABLE (the most right hand tab).

Wait a few seconds and the on-line version of the Trading Table will pop up. From here you can browse the various sections, dig deeper to look at what's available and even place your order online.

If you prefer to just look at the Trading Table List, just hover your mouse pointer over the TRADING TABLE and a pull down list will appear. From this you can access the full trading Table list and download it in .PDF form.

We also have heaps of parts from dismantled commercial analog TV gear – transmitters, filters, circulators, patch panels, power supplies. Too much to list individually, so come along to the clubrooms and have a look.
