General Meeting Notice  
Monday 8 September 2025 at 7:30 pm.  
At the Hazel Avenue Clubrooms,  
(Located on the left at the end of Hazel Avenue  
in the Arthur Faulkner Reserve)**

**Subject: This Monday we will be having a construction night.**

If you have a project you are working on, or need help, or want to show something completed, bring it along and see what we can achieve.  
If you have a design you want someone to try out or get information on the design, bring it along. We should be able to supply soldering gear.  
Don't know how your aerials are, test them using a VNA analysers.  
(for antenna SWR calibrations).

Make an aerial out of old TV antennae and a few ideas.

Matthew is asking if anyone has tried building a collinear vertical with half wavelength sections of coax, switching the core and the shield at each end point. I haven't been able to design coax on 4NEC2.

**EVERYBODY WELCOME**

**Supper will be provided at to conclusion of the meeting.**

**Dates to Remember over the next month.**

### **Information on Jamboree on the Air (JOTA) as follows: (18 October 2025)**

Jamboree on the Air (JOTA) (<https://www.jotajoti.info/jota>) is an annual Scouting event that connects Scouts around the world with the use of Amateur Radio.

The event is held on the 3rd weekend in October each year.

The VHF Group Committee has discussed the possibility of supporting this event this year and initial discussions have taken place with a local Scout Group who have expressed interest in collaborating with us for this event.

The Ham Station will most likely be operating only the Saturday afternoon / evening

Location - Mt Eden, to enable the scouts to get hands-on experience setting up the station, rigging antennas etc. We hope to coincide this with POTA, SOTA to enable more HF Contacts to be made, maximising the benefit for the scouts to get some hands-on experience.

Please talk to one of the VHF Group Committee, in particular Jim ZL1DI or Simon ZL1THH, if you are able to support this activity or if you have any ideas about how to make this a great event.

### **Do you have a contribution for Spectrum?**

**Any contributions to add to Spectrum, would be welcome.**

**We will not promise to publish everything we receive, but would be glad to receive suggestions or contributions that can be added.**

**TRADING TABLE**

Currently our Trading Table is only open on meeting nights.

**Currently we are only accepting orders from within New Zealand**

The Trading Table is now on line. Navigate your way to our new look web site at <https://aucklandvhf.org/> and click on TRADING TABLE (the most right hand tab). Wait a few seconds and the on-line version of the Trading Table will pop up.

From here you can browse the various sections, dig deeper to look at what's available and even place your order online.

If you prefer to just look at the Trading Table List, just hover your mouse pointer over the TRADING TABLE and a drop down list will appear. From this you can access the Trading Table list and download it in .PDF form.

The Trading Table List is a comprehensive list of items the club has had in stock and may still have. **The price list on some items may have also changed as the list has not been updated.**

A lot of the items on the list are **NOT** loaded into the Web system as stock has not been validated. If there is **NO** quantity shown, please send an email the Trading Table with the part number and quantity of item(s) you require, and we will get back to you if they are available or not and the price.

**NOTE:** As this is a club, it may be two week before actual validation of items, but an acknowledgement should be sent and advised of approx. time delay for validation. The items will then be added to the internet system and these should be able to be ordered online.

Payment can be by either Credit Card, or Direct Debit to our account.

Goods belong to the Auckland VHF Group Inc. until payment is received.

George Raffles,
